

STORM WINES

2022 Santa Ynez Valley Sauvignon Blanc

The fruit for this Sauvignon Blanc was sourced from three sustainably farmed vineyards at different corners of the Santa Ynez Valley. A combination of Old and New World winemaking techniques were thoughtfully used to bring out the grapes' full potential.

Tasting Notes

Citrus, lychee and gooseberry notes on the nose. Notes of crisp green apple, pink grapefruit and juicy white peach linger on the vibrant palate.

Production Details

- 22% Kingsley Vineyard, 55% Curtis Vineyard, 33% McGinley Vineyard
- 100% Sauvignon Blanc
- 24 hour skin contact on 30% of fruit before pressing at cold temps
- A combination of different clones, climates, and soils within Santa Ynez Valley, each bring a unique component to the blend
- 100% Stainless steel fermentation at cold temperatures
- Reductive winemaking techniques to preserve freshness, flavor and aroma profiles
- Aged for 5 months on the lees for added mouth feel and texture
- 1800 cases produced

Alc. 13.0% | pH 3.25 | Total Acid: 6.3g/l
