

# STORM WINES

---

## 2018 Santa Maria Valley Presqu'ile Vineyard Pinot Noir

This wine is the result of traditional methods, one great vineyard, and a love for Old World wines. A refined wine, exemplifying poise and elegance. It showcases not only the purity of fruit that can be found in Santa Maria, but also the alluring baking spice and black tea notes that Presqu'ile is known for.

### Tasting Notes

Baking spice, black tea, perfume, and red fruit dominate the nose. Soft delicate red fruit and spice fill out the palate, held together by a firm structure.
