

# STORM WINES

---

## 2021 Santa Ynez Valley Sauvignon Blanc

The fruit for this Sauvignon Blanc was sourced from three sustainably farmed vineyards at different corners of the Santa Ynez Valley. A combination of Old and New World winemaking techniques were thoughtfully used to bring out the grapes' full potential.

### Tasting Notes

Lime, green melon and dragon fruit dominate the nose. The palate is lively with white flower, strawberry guava and a beautiful salinity. New World freshness meets Old World texture.

### Production Details

- 36% Kingsley Vineyard, 36% Curtis Vineyard, 28% McGinley Vineyard
- 100% Sauvignon Blanc
- 24 hour skin contact on 30% of fruit before pressing at cold temps
- A combination of different clones, climates, and soils within Santa Ynez Valley, each bring a unique component to the blend
- 100% Stainless steel fermentation at cold temperatures
- Reductive winemaking techniques to preserve freshness, flavor and aroma profiles
- Aged for 5 months on the lees for added mouth feel and texture
- 1900 cases produced

Alc. 13.0% | pH 3.25 | Total Acid: 6.3g/l
