

STORM WINES

2020 Sta. Rita Hills Donnachadh Vineyard Pinot Noir

The Donnachadh Vineyard (pronounced "done uh kah") is located in the heart of Sta. Rita Hills on Santa Rosa Road. This Pinot Noir is planted on a steep hillside block on marine-derived shale with high clay content, rock and cobble. Cool winds from the Pacific Ocean make for challenging conditions which results in smaller yields on this site.

Tasting Notes

Plum and underbrush notes dominate the nose with hints of hard spice and graphite. Juicy dark fruit lingers long and vibrant on the palate with a refreshing acidity holding everything together.

Production Details
