

STORM WINES

2019 Santa Maria Valley Presqu'ile Vineyard Gamay

This wine is the result of traditional methods and a vineyard perfectly located for growing Gamay. The Presqu'ile Vineyard is located on the Solomon Hills in Santa Maria Valley where the fog lifts late morning and the cool afternoon breeze blows from the Pacific ocean in the afternoons.

Tasting Notes

Rustic on the nose with raspberry and cherry notes. Soft delicate red fruit and spice fill out the palate, held together by a firm structure. Serve slightly chilled.

Production Details

- 100% Presqu'ile Vineyard, organic farming
- 100 Cases Produced
